

Dr. Larry Feldman, Vice Chair The School Board of Miami-Dade County Monthly Electronic Newsletter

Saturday, March 14th, my staff and I, in conjunction with the Village of Pinecrest, hosted our 6th Annual Community Bike Ride Day. The event, which was held at Pinecrest Gardens, from 9:00 a.m. to noon, featured an informational and resource safety fair provided by 40 area businesses and community organizations. It was a morning filled with fun activities and safety workshops for over 400 participants. A big thank you to the School Police, Office of Public Relations, Mayor Lerner, Village of Pinecrest staff, our volunteers and all businesses, service providers and organizations who helped make this a very successful event.

WISHING YOU A SAFE AND ENJOYABLE SPRING BREAK!
